Dear Gary & Anna,

We would like to take the opportunity to thank you and your team for the exceptional service and outstanding quality achieved by Right Homes in the construction of our home.

From inception to completion we always felt nothing was too much trouble and there was a genuine interest in creating exactly what we wanted to achieve. Having individualised features and expectations of a very high standard of completion we can certainly say we were not disappointed.

We were very grateful for all of your practical suggestions and flexibility during the building process. Having built with project builders in the past we were not expecting such personal attention and it made a huge difference to our building experience and in the finished product.

Without hesitation, we will be recommending Right Homes to our friends, family and colleagues.

We wish you much success in the future and hope our paths cross again soon.

Regards,

Brett & Melanie
